P R E F A C E

The Government of India have for some time been considering the desirability of publishing the History of Services of officers of the Indian Administrative Service and the Indian Police Service. The need for such a publication has been felt for long both by the States and the Central Governments. This publication is an attempt to meet this long felt need.

2. Though every care has been taken to ensure that there are no mistakes, it is not unlikely that errors might have crept in or omissions gone unnoticed. If any error or omission is noticed in this compilation it may kindly be brought to the notice of the undersigned together with all available material evidence in support of the correction proposed.
